DOT-E 10015 (EXTENSION)
ORIGINAL November 18, 1988

In accordance with 49 CFR 107.105 of the Department of Transportation (DOT) Hazardous Materials Regulations DOT-E 10015 is hereby extended for the party(ies) listed below by changing the expiration date in paragraph 10 to September 30, 1994. This change is effective from the issue date of this extension. All other terms of the exemption remain unchanged.

This extension applies only to party(ies) listed below based on the application(s) received in accordance with 49 CFR 107.105. This extension constitutes a necessary part of this exemption and must be attached to it.

DOT-E 10015

NOV 18 1988

1. Greif Bros. Corporation, Springfield, New Jersey, is hereby granted an exemption from certain provisions of this Department's Hazardous Materials Regulations to manufacture, mark, and sell the packaging described in paragraph 7 below for use in the transportation of the corrosive material described in paragraph 3 below in commerce subject to the requirements specified herein. This exemption authorizes the manufacture, marking and sale of DOT Specification 34 polyethylene drums of 30- and 55-gallon capacity for shipment of the material identified in paragraph 3 below, and provides no relief from any regulation other than as specifically stated.

2. BASIS. This exemption is based on Greif Bros. Corporation's application dated May 12, 1988, submitted in accordance with 49 CFR 107.103 and the public proceeding thereon.

3. HAZARDOUS MATERIALS (Descriptor and class). Benzoyl chloride, classed as corrosive material.

4. PROPER SHIPPING NAME (49 CFR 172.101). Benzoyl chloride.

5. REGULATION AFFECTED. 49 CFR 173.247.

6. MODES OF TRANSPORTATION AUTHORIZED. Motor vehicle, rail freight, cargo vessel.

7. SAFETY CONTROL MEASURES. Packaging prescribed is a DOT Specification 34, high molecular weight high density polyethylene, blow molded drum of 30- or 55-gallon capacity. Each drum must be in accordance with the Greif Bros. Corporation "Plast-I-Chime" specification on file with the Office of Hazardous Materials Transportation (OHMT).

8. SPECIAL PROVISIONS.

a. Shippers may use the packaging(s) covered by this exemption pursuant to 49 CFR 173.22a.

b. A copy of this exemption must be carried aboard each vessel used to transport packages covered by this exemption.

c. In addition to specification marking, each drum must be marked "DOT-E 10015".

d. Reuse of drum must be in accordance with the applicable requirements of 49 CFR 173.28.

e. A copy of this exemption, in its current status, must be maintained at each manufacturing facility at which this packaging is manufactured and must be made available to a DOT representative upon request.
